

TECHNICAL PARAMETERS

Produce the following types of gates:

Mark gates		Pressure resistance [MPa]	Frame diameters [mm]	The resolution of the right/left	Total weight [kg]
Gas-tight	B0-1-P	0,01	2100 x 2800	right	660
	B0-1-L			left	660

Note the following table:

B - Gate

0 - Pressure resistance

P - Right hand versions

L - Left hand versions
